The lecture is open to everyone and no pre-registration is necessary. The current lecture schedule. Buckle the belt: From 1993 to 1997 the city of Ponce, Puerto Rico was hit by an unusually large number of thunderstorms, many of which produced severe and damaging weather. "We want to make the city and its residents as comfortable as possible for those who are coming to the city to volunteer for Hurricane Harvey relief," adds Tom Plumber, spokesperson. Of course, a lot of people still think about Thanksgiving as the holiday when people eat too much, play too much, and wear the most tacky, ugly clothes. On
