

sp2 crack. was thesday with three days to go until the mid term. a new poll showed the cleavages between the parties have widen even further and that the 'apartheid' has become more intense. with the mid term election fast approaching. political parties have started firing shots at each other. Meanwhile, the opposition saw "an undercurrent of fear" after the vote on article 50 which it said showed the government was not seeking a "level playing field" in the Brexit negotiations. Leading the opposition party comments was the shadow foreign secretary, jeremy corbyn, who said, "We do need a parliament that sits with the electorate and it is absolutely essential that the government delivers on its promises for Brexit and for rights at work and a better living wage." the survey commissioned by the website gauge of opinion polling published on march 3 showed that the overall parties gap had widened further, and that cleavages were even more severe. the newly-formed anti-eu party, the ford party has risen to 3% support, which means it would get 3.5 seats in the next parliament. the Ukip party has slumped to 9.5%, down from 21% in 2015.Q: How to center a div using media queries? I'm trying to make a div be centered using media queries, but I'm a beginner so it's not really working. Here's the HTML part of my site: #content { height: 50%; width: 100%; display: inline-block; background-color: #ffffff; border: 1px solid black; border-radius: 10px; position: relative; top: 0; left: 0; } .red { color: red; text-decoration: none; @media (min-width: 800px) { #content { width: 100%; } @media (min-width: 700px) { width: 90%; @media (min-width: 600px) {
