This macro allows you to enter your login and password (only one time) for the keyring database. Note: if this macro does not work then it will be necessary to re-register the database with a new key. macroKey register key:ip andpw: This macro registers the database specified by key with the credentials ip and pw. Note: the key is the login name of the database manager. For example, manager's login name is manager1. The ip and pw specify the login credentials for the keyring database. macroKey deregister key:ip andpw: This macro de-registers the database specified by key with the credentials ip and pw. Note: the key is the login name of the database manager. For example, manager's login name is manager1. The ip and pw specify the login credentials for the keyring database. Note: if this macro does not work then it will be necessary to re-register the database with a new key. Set a new values for the macros above, it will be necessary to re-register the database. Folders Worked out by Jean-Luc Soullignac Add folders to FLV files or to meta data Folders are a collection of files. FLVTool2 can add folders to a FLV file. It can also add directories to the meta data of the file. The following two macros are used to manage the folders. Note that the folder can also be renamed. The reason for the functions is to be able to change the name of the folder of a FLV file, and to be able to organize files according to this folder.\], TL-1 \[[@CR27]\] or TL-2 \[[@CR28]\] reconstruction. Our patient presented a massive GSW during military training. The injury was sutured under local anaesthesia and a sterile dressing. The wound was initially repaired by two surgeons and no complications were observed at the first consultation. In addition, several studies have shown that physical and technical factors can influence outcomes after complex hand injuries. These include the kind of material used to perform the reconstruction, the graft size and positioning, tension of the skin and the use of splints \[[@CR29]\]. However, none of the studies could show that the use of AAV to treat 70238732e0
