Jan 2, 2016 Best patch new version of NFS Hot Pursuit on PC. Need for Speed: Hot Pursuit 2010 is a racing video game developed by Criterion Games for PlayStation 3 and Xbox 360. It was released on June 10, 2010 for the PlayStation 3 and Xbox 360. The game is the first release under the Need for Speed(TM) banner since 2008's Need for Speed: The Run. It was released in three editions: the Limited Edition(RED) (containing the game, a steel book, a soundtrack CD, a voucher for a free statue, a certificate of authenticity, a code to enter the "Player's Choice" of either a Car or Vehicle of their choice, and an unlock of the Collectible Item Pack 'Special Edition'), the Collectible Edition, How to unlock all cars, add to the game, and edit options in NFS:Hot Pursuit 2010 (NFS 11). The Need for Speed Hot Pursuit (or Hot Pursuit, HotP for short) is a racing video game developed and published by Electronic Arts. It is the fourth game in the Need for Speed series, the first game of the Third Generation of racing games, and the first game of the Need for Speed sub-series, the official series title being "Need for Speed" with the scope of "Need for Speed Hot Pursuit". The title is dedicated to one of the founding principles of Ford Motor Company: to achieve a "supercar" that delivers a sensation of being driven by a race car. Need for Speed Hot Pursuit is set in a fictionalized version of the 1970s through 1980s era of racing.
