data migration from SQL Server to MongoDB.

SQL To Mongo is able to migrate tables and schemas in a simple way, allowing you to choose the primary key columns for the tables you wish to migrate. It is an application that can be used to migrate data from MS SQL Server to the popular NoSQL database MongoDB. This program will allow you to choose all of the tables and columns from a SQL database and transfer them to a MongoDB database. SQL To Mongo supports both native and MongoDB driver. SQL To Mongo Features: -

- Automatically converts the data into a standard JSON schema (JSON documents)
- Migration of tables and columns (both schemas and data)
- Supports native and MongoDB drivers (C#, .NET, Java, Ruby and PHP)
- Eases the migration process by providing many configuration options
- Supports drag and drop actions for tables and columns
- Works as a standalone application and as a DLL
-

---

Synchronization of the SQL Server database to MongoDB database - Supports the entire Microsoft SQL Server 2012 and SQL Server 2014 databases (90 tables) SQL To Mongo Features: - Automatically converts the data into a standard JSON schema (JSON documents) - Migration of tables and columns (both schemas and data) - Supports native and MongoDB drivers (C#, .NET, Java, Ruby and PHP) - Eases the migration process by providing many configuration options - Supports drag and drop actions for tables and columns - Works as a standalone application and as a DLL -

of herself naked. Yoko Oikawa, 46, the British-Japanese photographer, was hoping to speak at the 'Photography and Visual Culture in Japan' conference in Kent, England. But during a security check at Heathrow Airport, British border officials found the picture and prevented her from entering Britain. Scroll down for video

Yoko Oikawa, the British-Japanese photographer, was hoping to speak at the 'Photography and Visual Culture in Japan' conference in Kent, England Speaking to the Japanese news agency Jiji, Oikawa, who is married with a daughter, described the incident as 'humiliating' and 'depressing'. 'I was scared because I had to get through the gate without the picture,' she said. 'I was told the photo was passed to the border security to review.' Oikawa said the picture was taken in the bathroom of her home. Speaking to the Japanese news agency Jiji, Oikawa, who is married with a daughter, described the incident as 'humiliating'
