IrfanView Rotate 2022 Crack Description: IrfanView Rotate Cracked 2022 Latest Version IrfanView Rotate Crack Keygen Sincerely, Addnew.info IrfanView Rotate Software As its name suggests, this program uses the IrfanView software for processing operations. An image editor in which you can rotate, crop and resize JPG, BMP and GIF image files is packed into IrfanView. It's a small and easy to use program that allows you to rotate your images using EXIF orientation information and apply other photo editing modifications. IrfanView Rotate Features: No setup necessary, besides IrfanView: As long as you have IrfanView installed, you don't need to set up anything else. You can save the downloaded files in any part of the hard disk or copy them on a USB flash drive, in order to launch the utility on any computer with minimum effort. It doesn't make any modifications to the Windows registry, so it doesn't increase the risk of OS stability issues. The location to IrfanView's executable file must be specified at startup via a file browser, and it can be later changed from the main app window. Simple interface for rotating JPEGs: IrfanView Rotate is wrapped in a user-friendly interface made from a single window that shows all options provided by this program. All you have to do is drop JPEG files into the dedicated area to view them with their actual orientation using EXIF data, including the file name. Batch processing is supported, which means that you can drop multiple JPEGs at the same time to rotate them automatically. The main window stays on top of other processes by default, but this can be disabled. It's also possible to drop a folder containing JPEG pictures, as well as to preview the previous, next, first or last rotated file in the directory using buttons or the key arrows. Evaluation and conclusion: No error dialogs popped up in our tests and the app didn't hang or crash. It used a low amount of CPU and RAM. To sum it up, IrfanView Rotate offers a simple solution for rotating JPG images using EXIF information. Because the software is available for download in the official website, you can get it through its main page or from any other relevant software website. IrfanView Rotate IrfanView Rotate Software Since its origin in the late 1990s, IrfanView has become one of the most popular image editors for Windows
