There was some talk a couple of years ago about reviving a modern tram system in Canberra, but the idea was quickly knocked back. Furthermore, the appearance and relative brand newness of Tramcars means they are more versatile and able to operate on rough tracks than older stock. Stickers, paintings and flags on these Tramcars were designed as part of a British Rail effort to promote its rail services. And as we do with all our rail services, the tender process has always been strict. The tramway was closed in St. Once the horse tram system was given the green light, it was hard to stop.
